MEMORADUM FOR: Cadets, c/MSgt and above

FROM: Director, Northeast Region Cadet Leadership School – Winter

SUBJECT: Invitation to Attend

1. You are invited to attend the 2016 Winter Northeast Region Cadet Leadership School (RCLS-W) at U.S. Army Base, Ft. Devens, Ayer, Massachusetts, from 27-31 December. This school provides an excellent opportunity for you to learn higher level leadership skills while building relationships with other cadets from around the region or even the nation.
2. The RCLS-W is unlike any other CAP school that you may have participated in previously. The standards are high, with an expectation that the student will be able to communicate orally and in writing at or near the high school senior level. In addition, there will be a combination of group and individual assignments that must be submitted for evaluation. You must achieve at least 80% of all possible points in order to receive credit for the RCLS-W.
3. After completing the application process and before starting the challenging curriculum at the school, you will receive a book that you must read before arriving at the RCLS-W. Your first graded event will pertain to the book and many activities will be built upon its content!
4. Further information about reporting in and graduation will be sent to you once your application has been accepted.
5. If you are interested in accepting the challenge and rewards that this school offers, please apply online at: <http://ner.cap.gov/index.php/home/rcls>.
6. Cadets and parents/guardians should not hesitate to contact me with their questions or for more information at [dmooss@nhwg.cap.gov](mailto:dmooss@nhwg.cap.gov).
